Parent/Guardian,

As we enter into the winter sports season, I thought that it was important to contact you about inclement weather and how that effects your son’s or daughter’s participation in athletics at Oak Harbor High School. It is our hope that by addressing this issue, we can insure a safe and successful season for all of our student-athletes.

As in past years, some of our programs will schedule morning practices during the week while virtually all of our programs have morning practices on Saturdays. In the event of fog, snow, ice, or any other weather condition it is paramount that you, as the parent or guardian, make a decision that you feel is in the best interest of your child as far as going to the school for practice. In other words, if you feel it is not safe to send your son or daughter to a morning practice, do not send them! There will be no penalty placed upon your child if you feel that it is not safe enough for your son or daughter to attend a morning practice. Furthermore, if the school system goes on a 2 hour delay, all morning practice will be cancelled at that point.

At the bottom of this page, please take a moment to sign your name to indicate that you have read over our inclement weather policy and that you understand that it is your choice, as a parent or guardian, to decide whether or not your son or daughter attends a morning practice when the weather is bad. Please return the bottom portion of this form to your son or daughter’s coach. Again, it is our hope that all student-athletes have an enjoyable experience and it is their safety that we are most concerned with. Should you have any further questions or concerns, please feel free to contact me at 419-898-6216.

Sincerely,

Drew Grahl
Athletic Director
Oak Harbor High School

I, _____________________________, have read and understand the Oak Harbor Athletic Department's stance on attendance at morning practices. I will make the decision on attending these practices for my son/daughter, ________________________________________ when it comes to morning practices.
